## ORDER GUIDE

## We're Keepin' it Rail

Let's be honest, TimberTech decking and railing just go together, like peanut butter and jelly — or strawberries and champagne.

We firmly believe that railing shouldn't be complicated — so we've untangled the selection process for homeowners and the ordering process for you, our

trusted partners.

This guide walks you through the diverse range of TimberTech railing profiles and gives you the low down on ordering.

So, whether your client is searching for something classic or yearning for a contemporary railing, this guide

simplifies the process so you're able to recommend and order the correct components for the perfect deck and railing combos.

Now, get out there and keep it rail with your clients.

## RAILING OVERVIEW

# Choose the Right Rail

## Metal Railing

Keep it classic with these refined railing profiles for a timeless look.

- Safe and sturdy — strong, rattle-free balusters
- Low maintenance — aluminum, powder-coated finish resists corrosion
- Durable and advanced moisture resistance — won't rot or deteriorate
- Stands the test of time — resists fading, staining, scratching
- Easy to install — no special tools required and easy to align balusters

## Composite Railing

Discover these gorgeous railing profiles that boast a traditional milled wood look.

- Safe and sturdy — strong, squeak-free balusters
- Low maintenance — never requires staining or painting
- Resistant to mold and moisture damage — won't warp, rot, or splinter
- Stands the test of time — resists staining and scratching
- Environmentally friendly — made from up to 50% recycled materials

## CLASSIC COMPOSITE SERIES

The Classic Composite Series, a simple system with endless design options, combines five railing profiles into one. It uses a Universal Rail and offers five top rail options: Premier Rail®, RadianceRail®, Trademark Rail™, Drink Rail, and Contemporary Rail. This allows for easy, intuitive ordering with fewer SKUs. Designed for the homeowner who wants an impactful railing design that complements the deck as well as the homes' exterior.

Note: A 5.5" x 5.5" post sleeve is required for applications with 45° or other angled cuts when using Premier Railing, RadianceRail and Trademark Rail Top Rails.

### Drink Rail Guidelines

- Compatible with all full profile, square-shoulder, standard width (5.5") deck boards from the TimberTech AZEK, PRO & EDGE lines. NOT compatible with scalloped boards (i.e. Terrain Collection, Prime Collection & Prime+ Collection)
  - Narrow width (3.5") boards should be used for between-the-post applications only.
  - Wide width (7.25") boards should be used for over-the-post applications only.
- Compatible with all Classic Composite Series Railing Infills except for glass.
- For Over-the-Post Applications it is important that the deck board used be wide enough to completely cover the top of the post sleeve. For Between-the-Post Applications, any post sleeve sizes work.

Compatible Post Sleeve Size for Over-the-Post Applications	TimberTech PRO & EDGE Board Width	TimberTech AZEK Board Width
4" x 4"	Standard Width	Standard Width & Wide Width
5" x 5"	N/A	Standard Width & Wide Width

Classic Composite Series - Premier Rail

## BUILDER RAIL

Bring both style and function to your outdoor living space when you choose this modern railing profile. This railing uses a deck board as the top rail, so it's easier than ever to match your decking and railing for a coordinated look. Plus, the over the post installation means your view isn't interrupted with protruding post caps.

### BUILDER SUPPORT BOARDS

PRODUCT DESCRIPTION	TimberTech Item Number	
	CLASSIC BLACK	TRADITIONAL WALNUT
<b>BUILDER RAIL BOARD</b>		
6' 2x4 Builder Rail Board - Packaged as (2) 6' boards	BB2406CB	BB2406TW
